

## Masterclass – ORCHESTRATION

October 23rd to 27th 2022 in Halle (Saale), Germany

The Masterclass is part of the **15th Film Music Days Saxony-Anhalt** (October 23<sup>rd</sup> to 29<sup>th</sup> 2022) in Halle (Saale), Germany. As student, graduate and talent you can elaborate your skills in film music composition and in working with a symphony orchestra.

The participants of The Masterclass 2022 will create a soundtrack to a sequence of a film.

The fact, that especially young composers get only few chances to work with an orchestra, was one reason to develop this Masterclass. Qualified professionals will mentor the participants in their role as an orchestrator and composer and will give an impression of a recording producer's work. Thanks to the close cooperation with the Staatskapelle Halle (our local A-orchestra) the talents get the rare opportunity to work with a great symphony orchestra with about 70 musicians.
