

## Masterclass – ORCHESTRATION

November 2<sup>nd</sup> to 7<sup>th</sup> 2024 in Halle (Saale), Germany

The Masterclass is part of the **17th Film Music Days Saxony-Anhalt** (November 2<sup>nd</sup> to 9<sup>th</sup> 2024) in Halle (Saale), Germany. As student, graduate, and talent you can elaborate your skills in film music composition and in working with a symphony orchestra.

The participants of The Masterclass 2024 will create a soundtrack to a sequence of a film or a short film.

The fact that especially young composers get only few chances to work with an orchestra, was one reason to develop this Masterclass. Qualified professionals will mentor the participants in their role as an orchestrator and composer and will give an impression of a recording producer's work. Thanks to the close cooperation with the Staatskapelle Halle (our local A-orchestra) the talents get the rare opportunity to work with a great symphony orchestra with about 70-80 musicians.
